It may be near the end of the term however we have many things happening in the school before the end of term.

Last week the Year 3 and 4 students had the opportunity to visit the mobile Zoo which is part of Taronga Zoo. They have a special van, which is set up so they can bring the zoo to the country allowing the students to learn more about the zoo and their animals.

This week, several of our fast runners will be competing in Coolah at the Zone Cross Country. We wish them well and hope they do well. Thank you to Mrs Craven, Mrs Healey and Mr D'Gluyas for assisting these boys to attend this event.

Mr Hobbs the Director of Educational Leadership will be visiting the school on Wednesday and I am looking forward to showing him around the school so he can share in the wonderful work the students have been completing.

We were so pleased to be informed that the following students are amongst a group of 60 finalists in the 2021 University of New England School Acquisitive Art Prize. There were 471 art entries this year and these works demonstrated the application of a very high standard of technical skill as well as creative expression. The selection committee commented that there was a wonderful diversity of art media and subject matter represented. Congratulations to Ryan Armatage in Kindergarten, Danny Willey in Year 4 and Daniel Reid in Year 6.

Infants: Ryan Armatage, Kinder 'The Zoo', watercolour and texta

Primary: Danny Willey, 'Kandinsky' Watercolour

Primary: Daniel Reid 'All the Rubbish in the Water'

We have been very fortunate to receive a substantial grant from Google and this grant is going to assist our senior students develop their leadership skills as they present and train students and staff from some of our smaller surrounding schools.

Next term we will be holding an open afternoon where we will be inviting parents in to see the incredible skills of their children. This is a wonderful experience for our students to develop lifelong skills.

Next week we will be holding our Colour explosion run as part of the students reward day. Students will need light coloured clothes to participate. They cannot run in their school uniform. Please start collecting these clothes in preparation for Friday the 18 June 2021. In the last week of term the teachers will be holding three way chats with you and your child about your child's report and progress this semester. Watch out for the letter inviting you into school.

Tuesday the 22 June is the Athletics carnival at Harris park. Please mark this date on your calendar and come and support your child running in their age events.

Have a great week.
