TERM 3

WEEK 10

18 September  
2023

This is the last newsletter for this term.

It has been a very busy one with great learning opportunities for your children.

The Thalgarrah Science excursion/camp is this week and I know the students are really looking forward to the great activities they will have the opportunity to experience, the sleep over and camp fire.

The Puggles Last day this term is on Wednesday, they have had a great term and we look forward to them returning next term in week one on the Wednesday 11 October.

This week we will be finishing the term with the Colour Explosion on Thursday at- 2.45 in the K-2 playground.

Parents are invited to attend and participate. Students need to wear light coloured clothes and they will be given protective sunglasses and a head band to keep hair out of the way to wear on the day.

**Students can NOT participate in their school uniform.**

This event is also a fundraiser and I thank the parents who have been raising money for the school.

The senior year 6 students had a wonderful experience teaching the Hour of Code lessons to our K-2 students and the 3-6 students. They were very confident and I know they will do exceptionally well at Rocky River today. Please see some of the many photos taken last week demonstrating their hard work. Well done leaders.

Thank you to the parents who have been supporting the Meal Deals, ice-cream, cookies, chips and hot milos. These days have reduced the payment for each family considerably.

The SRC leaders will continue to sell items to the students on a Thursday from the canteen. Watch out for a new menu next term. We will be keeping the cost at \$1.50.

Please be very aware of the NO PARKING signs across the road from the school in Rusden Street.

A few of our parents have been fined for parking here.

Please use Ohio and Niagara streets to park and collect your child.

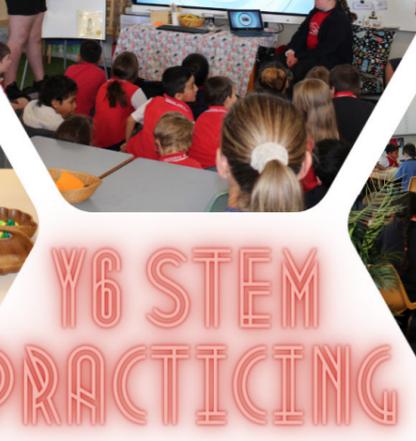

School finishes for term 3, this Friday the 22 September and everyone returns for term 4 on the Monday the 9 October. With Puggles on Wednesday 11 October.

I hope everyone has a very restful break and we are looking forward to seeing all students and staff back ready for a new term.

Have a great week. Julianne Crompton - Principal
