- Students and Staff return on Monday 14 October 2024 for Term 4**

Last week of term 3 wow, I can't believe how fast this term has gone. My last week has finally arrived and as I write this last newsletter I cant believe that I have spent over half of my life working with you, your children and grandchildren. It has been a real pleasure being the principal of such a fabulous school and I take so many memories with me. I have always been so proud of each and every student who has come through Drummond, seeing them learn and grow and move onto high school and then out into the community as young adults. Then to see them bring their children back here has always been something truly wonderful.

I hope I get to say goodbye to you on this Friday at the Big Breakfast the P and C are holding.

I have had the best executive to work with and wonderful staff who all dedicate themselves to ensuring your children are well looked after cared for and valued. They work exceptionally hard to ensure all children are receiving the highest quality education and support in the classrooms each and every day. This is the spirit of Drummond.

Thank you for being so supportive of the school, and staff and I know they will continue to learn and flourish with all of the staff here.

Have a great week.

Julianne Crompton - Principal

The DMPS P & C Inc have replaced some of our deteriorated bike helmets.

Thank you, as the students really enjoy riding the bikes and scooters while learning about safety.

Thank you Mrs Crompton for your many years of dedication to the education of students at Drummond Memorial Public School.

Here are some memories!
