Time saving tips for lunchboxes

The before school rush can have us reaching for sometimes foods.

With a little extra planning you can make it easier to grab an everyday option.

Try:

- Cutting up extra vegetables at dinner ready to pack in the morning
- Cutting up reduced fat cheese cubes in bulk on the weekend ready to pack with some crackers for the week
- Swapping from packaged chips to packaged air popped popcorn

Use our handy lunchbox planner to plan out everyday lunchboxes for the week.

Amazing work!!

Congratulations to the many Principal awards that are going out each week! It is so wonderful to see such clever work coming from our classrooms.

Uniforms

I would like to thank all the parents and carers for sending your children in uniform every day- it was so lovely to see the sea of Red and Blue this morning at Monday morning lines.

As we move into the warmer months, please make sure your child is coming to school every day with a water bottle and names clearly written on jumpers as we have many starting to pile up in the foyer areas.

Attendance Matters!

Please encourage your children to arrive on time each day as most classes start with important literacy sessions straight up with reading & writing each day and its vital our children are getting here to start the day right!

Parking-

Just a reminder the only people to park or drop off students in the Carpark are families with the "Permission to Park" sign or NSW Government issued Disabled parking sticker for a student enrolled here at Drummond.

PERMISSION
